

FOSHAY BOOKCASE INSERTS

1

With the felt pads facing down, carefully slide the inserts into the bookshelf.

ATTENTION

Each insert has a sticker on it with a letter (A, B, C, D, E, F or G) that corresponds to its proper placement in each Foshay bookcase size. Refer to the end of this booklet to see specifically where each insert can be placed in various Foshay bookcase sizes.

2

Once each insert is placed in a location that fits it, attach the side panels using the included screws and allen wrench. The side panels keep the insert in place.
