The Best Outdoor Chairs

By *Krissy Tiglias*

Have a seat—one that won't blow away in the summer breeze, that is. These nine sturdy standouts will let you rest easy.

Emmet Lounge Chair

Introducing the modern spin on the classic Adirondack. This eco-friendly seat is made of recycled plastic and is available in seven colors.

To buy: \$399, roomandboard.com.

Read on for more stylish outdoor furniture picks, plus tips on how to keep your patio set sparkling all summer long.
