RAND COLLECTION

The Rand table's unique design gives the illusion of a floating top, which adds a subtle twist to this hand-welded natural, stainless or powder-coated steel table.

BY-THE-INCH

Create a table that perfectly fits your space. Use the charts on the following pages to determine the size options and prices for Rand. Tables 12-17 inches deep have crossbars inset two inches from the edge of the table, tables 18-35 inches deep have crossbars inset 3 inches from the edge of the table and tables greater than 36 inches deep have crossbars inset 4 3/8 inches from the edge of the table.

1" thick (also available in 1¼" thick, add 10%) 1¼" thick only

- Minimums and maximums are as listed. Maximums are established by weight and delivery limitations.
- Actual size can vary by ½" in any direction, due to expansion, contraction and/or hand-sanding.
- Width always needs to exceed depth for wood stability. Wood grain follows the width of the table.
- For L-shaped desks, order both tops at the same thickness.
