

Gwen Chair Assembly Instructions

Assembling the chair

- 1 Place the seat on a table so the underside of the seat is facing up.
- 2 Place the leg assembly on the seat, taking care to face the red arrow sticker towards the front of the chair.
- 3 Line up the leg assembly's screw holes with the seat's screw holes.
- 4 Using the included four screws, attach the leg assembly to the seat, partially tightening each screw then going back and fully tightening.
