

Hudson Bed Assembly Instructions

List of parts: 1 - headboard
1 - footboard
2 - two drawer platforms
12 - slats

Hardware: 4 - screws

Tools needed: Rubber mallet
Phillips screwdriver

- Directions:**
1. Place the two drawers sections side by side on the floor near desired placement.
 2. Attach footboard with the three metal brackets to end of platforms inserting brackets into drawer brackets.
 3. Push down on footboard to insure it interlocks.
 4. Use rubber mallet to tap into place, insuring tight fit.
 5. Attach headboard in the same manner as footboard.
 6. Insert a screw into the pocket holes in each of the four corners of the bed. Tighten.
 7. Insert slats into slots in side rails.
 8. Place mattress on slats.

Tip: Wood naturally expands and contracts causing bed connections to loosen over time. This process is a natural characteristic of wood. Tighten hardware occasionally to restore the bed to original stability.
