Best Outdoor Furniture Stores: *High, Low & In Between*

Paging through our archives, we realized we'd never done a comprehensive "best of" list for outdoor furniture stores. With heat waves happening across the country, it's now or never, so we scoured our listings for favorite stores and sources, organized into three categories: high-end (\$\$\$), mid-range (\$\$), and budget (\$).

Best Mid-Range Outdoor Furniture Stores

Teak, Wicker and More : This online store is part of the CSN chain, and they have a huge selection of outdoor furniture. Not all of it is cheap, but you can find good deals if you look around.

• Shown: **Eucalyptus 5-piece folding patio set**, \$450

American Country Home Store : Don't let the name fool you — they sell a lot of pieces that aren't at all country, including French **Fermob bistro sets**. Prices are within reason, and they've got a huge range of colors.

• Shown: **Folding High Bistro Table**, \$315

Design Within Reach : They straddle the mid-to-high categories, and they carry several exclusive colors and collections. For instance, their version of the popular Tolix Marais chair comes in exclusive DWR colors.

• Shown: **Tolix Marais A Chair**, \$250

Cafe Society : Based out of California, co-founders Joan and Steve carry Fermob bistro sets as well as other vendors who fall within the "European cafe lifestyle" aesthetic.

• Shown: **Bistro Durafon Chair**, \$99

Room & Board : Best out of Minneapolis, they specialize mainly in American furniture that's modern, moderately priced, and well made. Their outdoor collection includes several "modern classics."

• Shown: **Emeco Navy 111 Side Chair in Red**, \$245

Seasonal Living : Although they're mainly a wholesale and to-the-trade company, their website includes a "closeout" section that's open to retail shoppers, where you can find good deals on outdoor furniture.

• Shown: **Cylinder 'Ringed' Table**, on sale for \$125 (reg. \$445)

Industry West : Based out of Beaufort, South Carolina, their catalog is composed of "inspired recreations of 19th and 20th century designs," (aka knockoffs) that are made from reclaimed wood and metal.
