

## (Coffee) Table for Two

Every couple knows that routine is the enemy of romance. One easy way to IGNITE SPARKS: Relocate your repast from the day-in, day-out dinner table to the far snugglier sofa. Introduce mementos of adventures past—shells from your vacation, or that Champagne you drank on your honeymoon night. One thing that never gets old? Candlelight, of course.

### THE MENU

plateau de fruits  
de mer with two  
sauces

*roasted fennel and  
artichoke hearts*

rack of lamb with  
mustard sauce

*chocolate pots  
de crème*
