# Bright and Indestructible Children's Beds by Meredith

NEWER

Issue 12 · Color Coded · March 19, 2012

Add a dash of color to a child's room (or any bedroom, for that matter) with the minimalist Piper bed from Room & Board, available in nine different shades.

The **Piper Bed in Colors** is made of hand-welded steel and is \$599 for the twin and \$699 for the full at Room & Board.

In addition to white and yellow, the Piper Bed is also available in silver, orange, ocean (light blue), navy, green, blossom (pink), and red.
