

# ANTON

Made by North Dakota artisans of the highest quality U.S. and imported materials, Anton features domestically sourced wood enhanced by either a natural oil-and-wax or clear lacquer finish. Visible corner finger joints showcase expert craftsmanship. To see the entire Anton collection, visit [roomandboard.com](http://roomandboard.com).

## WOOD OPTIONS

**Lacquer finish (Shell and Charcoal)** Our lacquer is a clear, low-sheen finish that seals and helps protect surfaces, while highlighting the natural beauty of the material. The finish holds up to daily use but can wear with excessive heat or moisture. Maintenance is simple—just wipe with a damp cloth and then dry immediately.

**Oil-and-wax finish (Walnut and Cherry)** Our oil-and-wax finish is applied to enrich the color and grain of solid wood pieces. The oils penetrate the wood to preserve the right moisture level and the wax offers a layer of light protection. Regular application of our Satin Wax is recommended to maintain the luster and softness of the finish.
