### Installation Instructions

**Note:** We recommend assembling this item with a friend. When disassembling, use rubber mallet to remove side rail tab from metal pocket.

- Hold headboard upright near its desired placement, with metal pockets facing the center of the bed.
- With plastic pieces facing the center of the bed, place one side rail tab in the metal pocket of headboard.

  Repeat for other side.
- Attach footboard to both rails in the same manner as headboard.
- Place slats onto the side rails matching the slots in each slat to the rivet on the side rails.

- Place canopy rails with tabs upright on top of bed posts. Push headboard and foot board together.
- Secure the rails with the screws.
- Place your mattress on the slats.
