

HERRICK WALL SCONCE

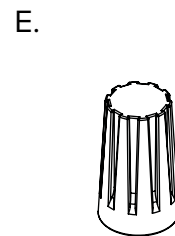

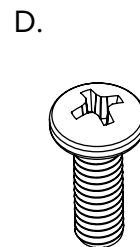

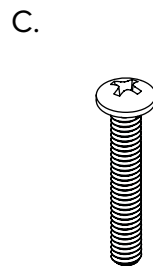

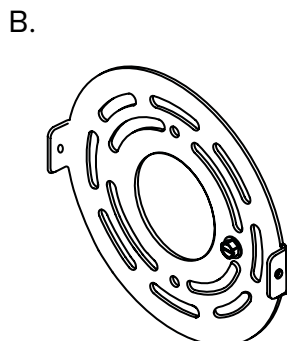

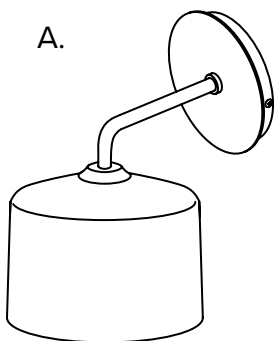

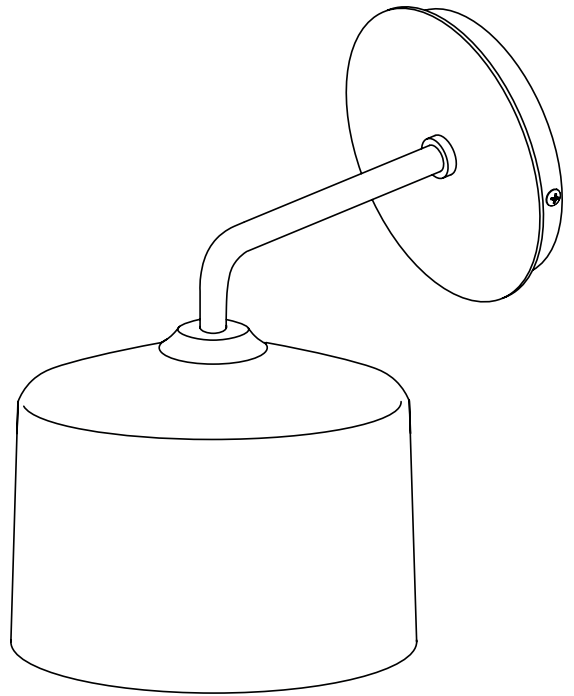

NOTE: If you do not have an existing electrical light box in your intended installation site, you can have one installed by a licensed professional.

Recommended Tools/Materials

- Phillips Screwdriver
- Wire Strippers
- Flat Head Screwdriver

This Product Includes

- A. Herrick Light Fixture
- B. Mounting Plate
- C. Mounting Plate Screws x2
- D. Back Plate Screws x2
- E. Wire Nuts

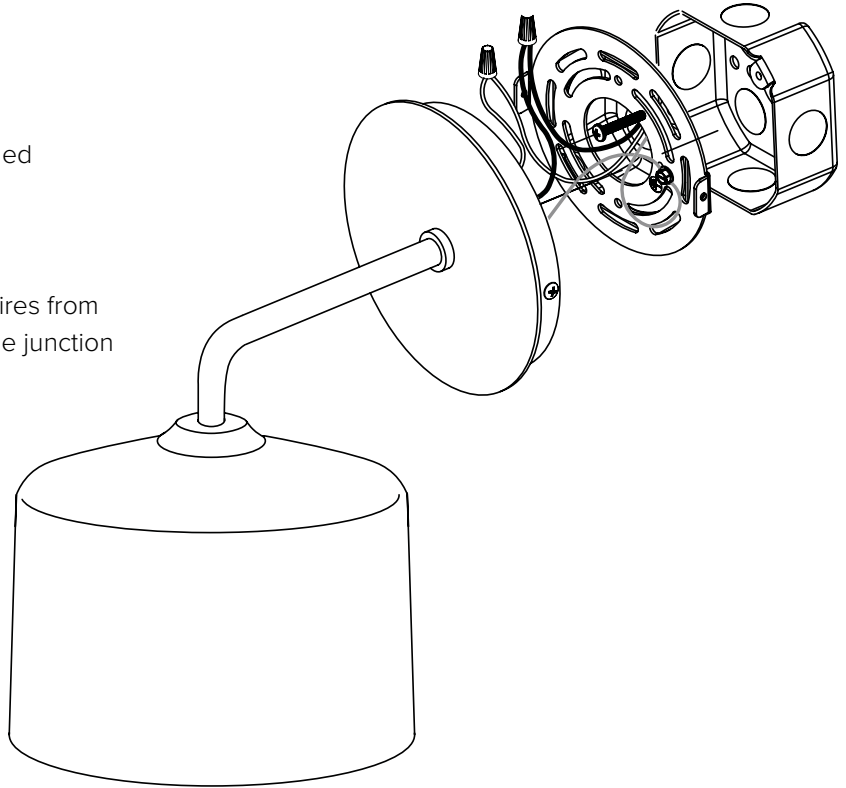

CAUTION

- It is strongly recommended that the hardwire installation of this product is done by a professional.
- Read these safety instructions entirely prior to installation.
- DO NOT BEGIN INSTALLATION UNTIL ALL ELECTRICAL POWER TO THE INSTALLATION SITE HAS BEEN TURNED OFF AT THE CIRCUIT BREAKER!

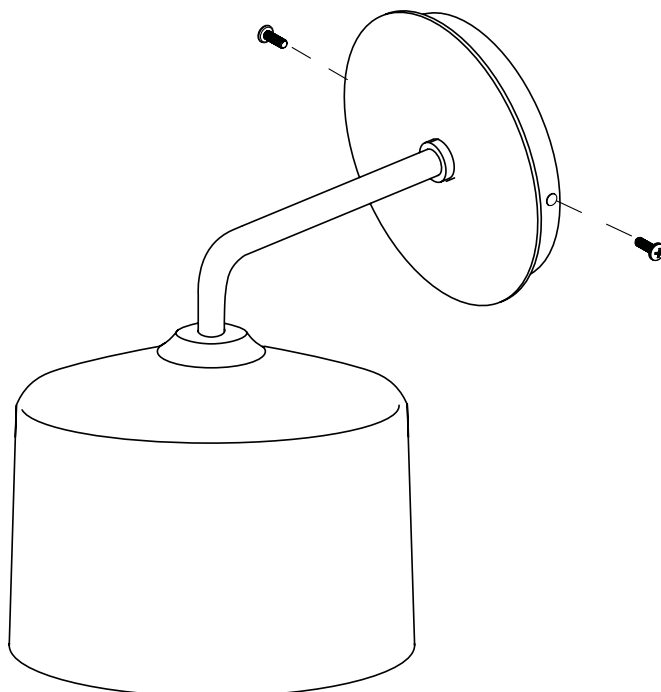

Installation Instructions:

CAUTION: Cut power to circuit before installation.

1. Attach mounting plate to junction box using provided mounting plate screws.
2. Using the included wire nuts, twist together the wires from the sconce with their corresponding wires from the junction box. Tuck the excess wire into the junction box.

3. Attach sconce to mounting plate using provided back plate screws.

4. Return power to circuit and turn on light.
