

LINEAR

The combination of natural wood and steel, craftsmanship, functionality and timeless design has made Linear a cornerstone of Room & Board since 1990. Woodworkers in northern Wisconsin craft each Linear piece from domestically sourced wood. To see the entire Linear collection and its custom options, visit roomandboard.com.

WOOD OPTIONS

Oil-and-wax finish (Cherry and Walnut) Our oil-and-wax finish is applied to enrich the color and grain of solid wood pieces. The oils penetrate the wood to preserve the right moisture level and the wax offers a layer of light protection. Regular application of our Satin Wax is recommended to maintain the luster and softness of the finish.

STEEL OPTIONS

Lacquer finish (Maple, Shell and Charcoal) Our lacquer is a clear, low-sheen finish that seals and helps protect surfaces, while highlighting the natural beauty of the material. The finish holds up to daily use but can wear with excessive heat or moisture. Maintenance is simple—just wipe with a damp cloth and then dry immediately.
