

## Mantel Wall Shelves Installation Instructions

### List of parts:

36" or 48" Mantel Wall Shelf  
mounting bracket  
wall bracket  
screws

### Tools needed:

#2 Phillips screwdriver  
level (optional)  
power drill (optional)

**Note:** Maximum recommended load is 20 pounds.

### Directions:

1. Attach mounting bracket to back of shelf. *Note: For best results, drill pilot holes and use supplied screws.*
2. Attach wall bracket to the wall using included screws. (Figure 1)
3. Interlock mounting bracket/shelf and wall bracket. (Figures 2, 3)
