

HOW TO MAKE YOUR PILLOW LOOK ITS BEST

For square pillows

- 1 Fold the pillow insert in half so it has a taco shape.
- 2 Keeping the pillow insert folded, guide it into the unzipped pillow cover then unfold the insert and align the corners.
- 3 Push the pillow insert further into the pillow cover to close the zipper without strain, then fluff the pillow to fill the corners.

For rectangular pillows

- 1 One end at a time, guide the pillow insert into the unzipped pillow cover, aligning the corners.
- 2 Push the pillow insert further into the pillow cover to close the zipper without strain, then fluff the pillow to fill the corners.
