

BENCHING SYSTEMS: COPENHAGEN

Copenhagen right-file drawer storage benches in walnut with cushions and stainless steel bases; Parsons desks in stainless steel with walnut tops; Diffrient World® office chairs in black; Element Disc™ lamps in silver.

COPENHAGEN FILE STORAGE BENCH

The Copenhagen file storage bench combines durable high-quality materials with the handcrafted expertise you expect from Room & Board. Modern, functional and stylish, the Copenhagen file bench offers a file drawer and extra storage with a concealing sliding door, and easily doubles as a bench. Cord openings in the bottom of the cabinet and through the back of each shelf hide the cords but give you all the functionality you need. File benches are available with or without removable seat cushions. The finished back lets you place Copenhagen anywhere.

Note: a left-file bench allows you to easily access file drawers on your left, with open storage under the desk; a right-file bench allows you to easily access file drawers on your right, with open storage under the desk.

COPENHAGEN L-SHAPED LAYOUT DIMENSIONS

We recommend the following desk sizes and products to create an L-shaped configuration with the Copenhagen file bench:

- Table/desk with clearance 26h or more from floor to apron
- Table/desk with interior space 40w or more between desk legs and front of file bench
- Rolling file cabinet 25h or less
- For maximum accessibility: 60w 24d 29h or larger Parsons table/desk with 60w file bench; 72w 30d 29h or larger Parsons table/desk with 80w file bench
