

Staple Wall Shelves Installation Instructions

List of parts:

24" or 35" Staple Wall Shelf
wall anchors
screws

Tools needed:

#2 Phillips screwdriver
power drill
level (optional)

Directions:

1. Mark, drill hole locations on wall.
2. Use a #2 Phillips screwdriver to install the wall anchors at marked wall location.
3. Place fixture over wall anchor and insert screw with #2 Phillips screwdriver.
4. Tighten fixture in-place. *Note: Screw self-threads into anchor. Do not over tighten.*
