

assembly instructions: tri-plex table lamp

List of Parts

- (A) Shade
- (B) Flange
- (C) Socket
- (D) Housing
- (E) Leg
- (F) Polarized Plug
- (G) Bulb

Safety Instructions:

- * This lamp has a polarized plug (one blade is wider than the other) as a feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If it does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do NOT alter the plug.
- * Do not use with an extension cord unless the plug from the lamp can be fully inserted into the extension cord receptical.
- * Switch power off and remove plug from the wall outlet before replacing the bulb.
- * This lamp is UL rated for dry locations.

Assembly Instructions:

NOTE: Do not connect electricity until lamp is fully assembled.

1. Remove lamp parts from packaging. Do not throw away any parts.
2. Place lamp base on level surface.
3. Carefully thread legs (E) into housing (D). Turn until hand tight.
4. Remove flange (B) from socket (C).
5. Place shade (A) onto socket (C). Thread flange (B) back onto socket to secure the shade to the lamp.
6. Install one 150W MAX. Type A medium base bulb or one 16W LED medium base bulb (G) (Included).
7. Remove protective plastic from polarized plug (F). Insert polarized plug (F) into wall outlet.

** To clean, wipe with a soft cloth. Don't use chemical or abrasive cleaners. **
